#### 2. Uncover the Next Generation of Sustainable Dividend-Paying Companies

Structural reform efforts and an increasing emphasis on shareholder returns support better corporate governance practices.

**Japan** **South Korea**  
 A shift in government policies or family ownership structures are encouraging a higher dividend payout and higher shareholder returns.

**China**  
 Deeper capital markets and opening of the A-share market are expanding investible universe of dividend-paying companies.

**Taiwan** **Australia**  
 Tax regimes encourage companies to pay higher dividends.

**ASEAN**  
 Family-owned businesses are common where largest shareholders have incentive to extract value via dividends as income.
