

### Why Invest in the Matthews Asia ex Japan Dividend Fund?

#### 1. Asia: An Attractive Source of Yield and Dividend Growth

The portfolio seeks to blend stable dividend “payers” with attractive dividend “growers.”

There is no guarantee any estimates or projections will be realized.  
 \*Trailing dividend yield estimates for 2018, as of 13/7/18 from Bloomberg.  
 †Compound annual growth rate (CAGR) based on index constituents of Europe (Bloomberg European 500 Index), Asia ex Japan (MSCI AC Asia ex Japan Index), U.S. (S&P 500 Index), as of 31/12/02, excluding those that are no longer in existence as of calendar year 2017.

#### 2. Uncover the Next Generation of Sustainable Dividend-Paying Companies

Structural reform efforts and an increasing emphasis on shareholder returns support better corporate governance practices.

**South Korea**  
 A shift in government policies or family ownership structures are encouraging a higher dividend payout and higher shareholder returns.

**China**  
 Deeper capital markets and opening of the A-share market are expanding investible universe of dividend-paying companies.

**Taiwan**  
 Tax regimes encourage companies to pay higher dividends.

**ASEAN**  
 Family-owned businesses are common where largest shareholders have incentive to extract value via dividends as income.

#### 3. Unconstrained All-Cap Approach

The portfolio has a strategic focus on small- to mid-cap stocks to capitalize on Asia’s domestic consumption story and the burgeoning middle class.

*The value of an investment in the Fund can go down as well as up and possible loss of principal is a risk of investing. Investments in international and emerging market securities may involve risks such as social and political instability, market illiquidity, exchange-rate fluctuations, a high level of volatility and limited regulation. The Fund invests in holdings denominated in foreign currencies, and is exposed to the risk that the value of the foreign currency will increase or decrease. The Fund invests primarily in equity securities, which may result in increased volatility. There is no guarantee that the Fund or the companies in its portfolio will pay or continue to pay dividends. These and other risks associated with investing in the Fund can be found in the Prospectus.*

## Strategy Highlights

### ✿ Total Return Approach

The portfolio blends stable dividend yielders with attractive dividend growers in seeking to provide both capital growth and a sustainable dividend yield.

### ✿ Dividends Validate Corporate Governance

Dividends are a useful lens through which we assess a company's earnings, cash flow and commitment to minority shareholders.

### ✿ Highly Experienced Team

Yu Zhang, CFA, is the Lead Manager. Robert Horrocks, PhD, and Sherwood Zhang, CFA, are Co-Managers of the Fund. The team has over 50 years of combined investment experience.

## Why Matthews Asia?

### ✿ 25 years of Experience Investing in Asian Equity Markets

We have invested in dividend-paying equity income strategies since 1994 and have offered a dedicated Asia Dividend Strategy since 2006.

### ✿ Specialist Firm Focused Solely on Investing in Asia

Independent and privately owned, Matthews Asia has a 45+ person investment team dedicated to investing in Asia.

### ✿ Clear Investment Philosophy

We believe that a long-term investment horizon and benchmark-agnostic approach provides value creation opportunities for our clients. This is reflected in a portfolio with low turnover and high active share.

### ✿ Research-driven, Bottom-up Approach

Our disciplined process is anchored in an active, bottom-up approach to stock picking. Our dedicated investment team holds over 2,500 company meetings per year.
