Article three: *The exclusive object of the Corporation is to place the funds available to it in transferable securities, money market instruments and other permissible assets such as referred in Part I of the 2010 Law, with the purpose of spreading investment risks and affording its shareholders the results of the management of its portfolio.*

The Corporation may take any measures and carry out any operation which it may deem useful in the accomplishment and development of its purpose to the fullest extent permitted by the 2010 Law."

In essence, the Board proposes to amend and restate the Articles in order to reflect certain changes implemented in the Law of 10 August 1915 on commercial companies further to its modernization, being noted that only certain provisions which are relevant in the context of the Company's activity have been considered. In addition, the Board has also taken the opportunity to conduct a general review of the Articles in order to adjust and clarify certain provisions.

Please note that the above amendments (i) will have no impact on the manner in which the Company is managed or on the investment objective, policy, strategy and risks of any of its sub-funds, (ii) will not lead to any increase of the fees to be borne by the Company and (iii) will not prejudice any of your rights or interests.

The draft of the restated Articles together with a version in mark-up against those currently in force are available free of charge, in English, at the registered office of the Company.

Subject to their adoption at the Meeting, these changes will be reflected in a new version of the Prospectus to be dated 30 August 2024.
